Altruistic AI Foundation

Empowering Care Through AI Innovation

Building Accessible AI Technology for Seniors & Caregivers

Our Mission

The Altruistic AI Foundation is a 501(c)(3) nonprofit organization dedicated to developing accessible artificial intelligence solutions that empower seniors and their caregivers. We bridge the technology gap by creating user-friendly AI tools that improve quality of life and promote independence for older adults.

Our Impact

- CareMAIte AI Companion serving seniors nationwide
- Technology accessibility training programs
- Research partnerships with healthcare institutions
- Community outreach and education initiatives

Ways to Give

- **One-Time Donations:** Make an immediate impact with a single contribution
- **Monthly Giving:** Provide sustained support through recurring donations
- **Employer Matching:** Double your impact through workplace giving programs
- **Corporate Partnerships:** Collaborate on innovative solutions and programs
